A unique collaboration between London-based ensemble [The Artisans](#) (including Emily and Hazel Askew), Richard Mackenzie, Louise Duggan, and [Dr Ian Mortimer](#), author of *The Time Traveller's Guide to Medieval England*.

Old English carols, songs from French Troubadours, & foot-stomping dance tunes from fourteenth-century Italy.

Medieval music says much about the experience of being in the past. At the same time, the history of the period allows us to understand the background to the music. Thus we are going to weave the two together in a candlelit musical performance of what it was like to live in the Middle Ages – from the Viking Age to the birth of the Renaissance.
